# Recognise & Label

Be aware of how you are feeling

## Negative Emotions

You might feel anxious, worried, or envious. It is about expectations of self, or perhaps of others of you. Never compare.

## Neutral Emotions

You might feel neither elated nor sad; you might even feel indifferent. It is ok.

## Positive Emotions

You might feel overjoyed, euphoric. It is again about expectations – you might have exceeded your own, or that of others of you. Again, never compare.

# Regulating Emotions

How you could help yourself, not just now, but in future situations as well

## SPOT

### Recognise your emotion

Be aware of how you are feeling. If you have a negative sentiment, become aware of it. Label that emotion. Are you feeling angry? Are you feeling dejected?

## STOP

### Hold the emotion

Stop what is causing that emotion. If it is your results, remove yourself from the situation, **inhale deeply and exhale slowly** using counts of 10, and seek the help of an adult.

## SWAP

### Change the emotion

Know that what caused the emotion is **not permanent and is not a measure of other aspects of your life**. It **does not define who you are as a person**. There **are** many good choices to consider. Speak to a trusted adult or friend.

# Being a Friend

How you might be able to support your friends

## Calm

*"Take a few deep breaths"*

## Empathise

*"It sounds like you are disappointed"*

## Refer

*"Let's speak with Teacher X / Counsellor. I can be with you if you like"*

# Your Next Step

Healthcare

Computer science

What am I interested in?

What are my strengths?

What courses are there?

## Making Choices

- List courses aligned to your strengths/interests; List **all** institutions that offer these courses.

For example, if you are keen on design, you could list Diploma in Immersive offered by NP and Diploma in Sonic Arts offered by RP and Interactive Design offered by ITE.

Alternatively, you might be interested in hospitality. You should list all hospitality-related courses offered by ITE, e.g. 2-year Higher Nitec in Hospitality Operations, 2-year Nitec in Hospitality Operations, 2-year Nitec in Pastry and Baking.

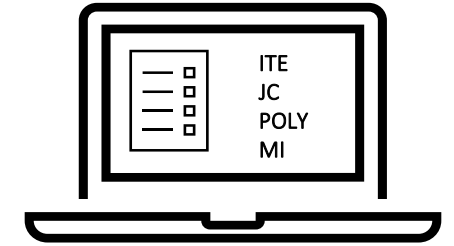

Remember, consider your interests and strengths first.

# Joint Admissions Exercise (JAE) / Joint Intake Exercise (JIE) for O-Level Students

## Choosing & Applying

1. Explore courses using
  - [SchoolFinder](#) to explore JCs and MI.
  - [CourseFinder](#) to explore courses in polytechnics and ITE.
2. Learn more about the course by referring to the respective institutions' (e.g. ITE/JC/MI/Poly) webpages **and/or** read the [JAE courses](#);
3. Check the **Minimum Entry Requirements (MERs)** and/or the **net aggregate range** of previous cohorts in various courses;
4. Speak to your Teacher and/or Year Head and/or ECG Counsellor and/or MOE ECG Counsellor;
5. Think and choose carefully;

# Joint Admissions Exercise (JAE) / Joint Intake Exercise (JIE) for O-Level Students

## Choosing & Applying

1. You will receive an email on your JAE courses eligibility and “Form A”, which contains your gross aggregate scores for JC, MI, polytechnic and ITE aggregate types. In the unlikely event that you do not receive the email containing Form A, log in to the JAE Internet System (JAE-IS) using Singpass to download your Form A. If both methods fail, call school to ask for assistance from Mr Xavier Ong.
2. Complete your JAE worksheet (<https://www.moe.gov.sg/jaeworksheet>);
3. Access the Internet System (<https://www.moe.gov.sg/jae>), and use **all 12 choices**.

**JAE: 4:00pm, Tues, 16 January 2024**

**JIE-O (ITE): 4.00pm, Mon 15 January 2024**

4. If you are unable to submit your application via the JAE-IS, you can submit a request for assistance using the online [JAE Request Form](#).
5. Upon successful submission of your application, the verification slip will be sent to the email address provided by you in the JAE-IS.
6. Date of release of JAE posting results (tentatively Thur, 1 Feb 2024) via SMS to mobile phone number provided during application and JAE-IS.

# JAE Appeals

1. Make your appeals count;
2. If you do not receive a JAE posting, ITE may offer a place soon after posting results;
3. Consider the offer carefully, and know that you can still appeal for a 2-year/3-year Higher Nitec course;
4. In general, appeal **only** for those courses (ITE/JC/MI/Poly) where you meet the minimum entry requirements and the current-year cut-off point (check relevant institution websites and/or MOE *CourseFinder*);
5. Consider appealing to a range of courses from various institutions (e.g. ITE, Poly);
6. Speak to your Teacher and/or Year Head and/or ECG Counsellor and/or visit the ECG centre at MOE Grange Road (<https://go.gov.sg/moe-ecg-centre>);
7. Submit your appeal through the JAE appeals website: <https://jaeappeal.edu.sg> ;
8. Use all your 6 JAE appeals choices carefully;
9. Note that enrolment depends on vacancies.

## After JAE Appeals

1. Check the Appeals Portal and/or your SMS for notifications of your appeal outcome;
2. You will be offered an alternative course if you do not receive any news by the end of the appeals period;
3. Consider the appeal outcome carefully;
4. Remember, there are positives in any endeavour – a different path builds a different person;
5. You could still appeal directly to the institution (poly, ITE etc) after the appeals period, even if you have accepted the posting offered through JAE appeals.
