5. Activities and Events

Due to the current Safe Management Measures (SMM), all events in partnership with the school were either via virtual mode or limited in number of participants on site

There was no Prom Nite for 2020 Graduating Cohorts unlike previous years whereby the event will be held in November, after the GCE exams and BAMC will be attending in support of the event as well as a platform to recruit BAY members.

School Tie presentation ceremony was not held on large scale. The ties sponsored from BA funds were presented to each Secondary One class via the respective form teacher

Lunar New Year celebrations in the school had also been a traditional school event and BAMC will be invited to the concert performances. Due to Covid SMM, the event was a “closed door” for the school without any external invitees.

5.1 Annual Lo Hei Dinner- 2021

This traditional Beatty Flagship event was held via virtual mode, on 26 February 2021, commencing 630pm. 16 participants attended the virtual event to usher in the Golden Ox. Special mention to Loh Hong Sai and Bob Fang for their support of the event as well as the 3 school leaders, ie Mr Ling Khoon Chow (Principal), Mr Lim Soon Wai (Vice principal) and Ms Lim Sok Ngin (Vice Principal)
